

## WARNING

### **Beware of ticket reseller websites**

**The only official website that sells tickets for all Théâtre du Casino Lac-Leamy performances is [ticketmaster.ca](http://ticketmaster.ca).**

We never redirect customers to another website to purchase tickets.

**If you purchased tickets on one of these sites, you did it on your own.**

Such tickets may be counterfeit, or you may have paid much more than the retail price, or you may have been misled by their advertising of our shows.

**The Théâtre du Casino Lac-Leamy is not responsible for tickets purchased through any other means than its official website, box office or call centre.**

Just like other venues throughout Canada, we receive reports of tickets being purchased on third-party sites. There is a possibility that these tickets are not valid or, if they are valid, they could have been purchased with the credit card belonging to the people running the third-party website, not yours, which means that the transaction was made on the third-party's bank terminal.

- ✓ Doing a very generic search on Google may bring you to third-party websites that invest a lot of money to position themselves on the Internet. Most of these engines are located outside Canada, so we have no control over them.

**Here are signs that your tickets were not purchased on the Théâtre du Casino Lac-Leamy official website:**

- ✓ Prices posted are higher than those found on ticketmaster.ca
- ✓ Prices posted are in US dollars (we **ALWAYS** advertise in Canadian dollars)
- ✓ Before purchase, rows are listed without seat numbers
- ✓ The name and/or description of performances was modified and is different from the information on ticketmaster.ca
- ✓ The ticket you receive has the reseller's name on it, not yours

**Protect yourself**

- Only buy your tickets for the Théâtre du Casino Lac-Leamy at ticketmaster.ca, in person at the box office or through our call centre at 1-877-977-7970.
